

## TO ALL AUDITIONING FOR **PETER PAN**

**INFORMATION REGARDING THE AUDITIONING AND CASTING PROCESS. Your child will audition with many children and will be chosen for his or her talent ONLY. Parts are given to those who fit the role at the discretion of the director/audition committee. No child will ever receive a part for parent participation or because it is his or her “turn”. Every child comes with very different strengths. Casting decisions are always difficult. Unfortunately that is the nature of theatre. Please read the following carefully.**

1. You will be notified by email/phone call if we decide we need call backs for an additional look. Callbacks will be **April 19–23** (will be by size and strengths, not necessarily by age). **You must be available for callbacks.** Show dates are **July 28, 29 & 30**. Cast members must be available for all show dates and tech week rehearsals, **July 22 through 30**. If you are unable to be there for **ALL** dates, please try again next time. You must be available for the entire time indicated. There are no absences allowed.
2. You will receive an email or phone call if your child has been cast. We do not email or call if you are not cast. Unfortunately every child can not make every production. If your child does not make this production, we truly hope that they will try again next time.
3. If cast, you will have 24 hours to respond with your decision to accept or decline the offer. If you accept being cast and then quit the show, you will not be considered for another BCCT production for a year. You will also forfeit your production fee. This policy is in place in fairness to the casting process. It is not always possible to fill, or move another child, into your position.
4. **Conflicts not written on the calendar on the audition form will not be honored. Vacations (more than 3 days) will be strongly taken into consideration when casting leading roles.**
5. There is a production fee of \$175 for the first child and \$125 for each additional child.
6. Parent participation is required. The quality of our production depends on you. If you are unable to fulfill this requirement, your child *is not eligible* for the show. Parents are expected to attend a meeting where they will choose three committees that interest them and then be assigned to one of those committees. In addition to participation on a committee, each family must spend four to five nights on set construction and be at load in and/or set strike, specified by committee requirements.
7. Please understand that your commitment to our production is essential. If other commitments will prevent you from attending our rehearsals, please reconsider auditioning at this time. Your attendance at all rehearsals is necessary. It is up to the discretion of the Board to dismiss a child due to too many rehearsal absences. Attendance, or lack thereof, at past rehearsals will also be taken into consideration when casting.
8. Acceptance in this show does not *guarantee* a part in any future BCCT production. Auditions are a must for everyone for every show and no show is pre-cast. The casting decisions are made by a committee, no one individual is responsible for casting.
9. Unsuitable behavior will not be tolerated. Any rude behavior directed at other cast members or adults, physical aggression, foul or inappropriate language, smoking, drinking or substance abuse will be grounds for immediate dismissal.
